LASERCUTS LTD

VISION- “To become the leader in the personalizing and marking industry in the Caribbean.”

MISSION - “To give an unforgettable, positive experience to every individual and organization in need of a personalized product.”

ABOUT US

We are a premier manufacturing company that has been in operation for over 14 years. We offer a wide variety of personalized products and services. Our products range from small gifts and tokens to large outdoor signs and plaques. Several processes and materials are combined to fabricate some of the most unique products on the market. All of our work is done with exceptional detail and precision as we constantly aspire to deliver more than is asked of us.

- Prices are inclusive of ENGRAVING and can be DISCOUNTED based on the quantity ordered!

AWARDS

Lasercuts Ltd is the number one producer of customizable awards and trophies in Trinidad & Tobago. We have an extensive assortment of acrylic, crystal, glass and wooden awards which are perfect for showing recognition and appreciation. All of our awards, trophies and plaques can be engraved or customized to suit your exact needs and preferences. We also offer the option of creating awards from square one, allowing you the customer to provide your own design and specifications. Contact us for more information or for more choices.

This section displays some examples of the signage we manufacture. We have options for indoor, outdoor and industrial signage made from Plastic, Acrylic, PVC, Wood, Aluminum, Stainless Steel etc. Signage can be printed in vibrant colours or engraved for a more permanent finish. Feel free to send us your specs for a quotation or allow one of our sales reps to help by making some recommendations.

SAFETY SIGNS

Safety signs are a great way to clearly notify employees and visitors of company policies and warn of dangers. Lasercuts has a huge selection of safety signs in various materials and sizes. Topics include electrical safety, lockout, confined space, chemical hazards, machine safety, protective wear (PPE), warehouse safety, first aid, eyewash, slipping & tripping, emergency exits and much more! Be compliant, avoid fines and keep workplace safety on everyone's mind with signs such as those illustrated below.

FIRST AID SIGN

EMERGENCY EXIT SIGN

RADIATION WARNING SIGN

ELECTRICAL HAZARD SIGN

PPE SIGN

DOOR SIGNS

A key aspect to a safe and orderly facility is identifying and marking all rooms and their purpose. Not only for day to day use, but in emergency situations as well. Our room signs and door signs will help you do just that. We offer room and door signs of a variety of materials that can be mounted with screws or double faced tape as well as ADA compliant braille room signs. Examples below...

PLASTIC DOOR SIGN IN SIGN HOLDER

HANGING WOODEN DOOR SIGNS

FEMALE/MALE WASHROOM DOOR SIGNS

WALL SIGNS

Communicate clearly and professionally with top quality signs! Choose from a wide variety of colour combinations, styles and sizes. Also customize your signs by adding your own logo and text. Holders, attachment options and backing choices are available.

ACRYLIC COLOUR-FILLED SIGNS

Our acrylic colour-filled signs have endless uses such as for the enhancement of wedding decor, business places, church halls, school halls and much more. We also offer different sizes, acrylic colours (black, white or clear), colour fills, fonts and shapes according to what you desire. See some examples below.

Some of our most recognised products are our wooden signs. We use high quality teak and other types of wood to produce these flawless, long lasting and yet stylish signs. These signs are custom made to suit your exact needs as well as your price range, and to give you the rich and expensive finish you are looking for without sacrificing durability and resilience. You can contact us for further assistance and view some of our previous work below.

CUT LETTERING/CHANNEL LETTERING

These signs consist of 3D letters fabricated from Aluminum, PVC, Wood or Acrylic. These signs add a touch of class and enhances the beauty of any area in which it is placed. Below are some examples of previous work. Contact us now to get your custom cut lettering/channel lettering signs.

Outdoor Signage 2020

METAL MARKING (CERMARKING)

Cermarking is a marking technique that uses lasers to bond an additive marking substance to a wide range of substrates, in this case metals. The metal can be permanently marked/burnt with high contrast, high resolution marks for logos, bar-coding, identification and serialization purposes, without damage to the material. Examples are shown below.

STAINLESS STEEL TAGS

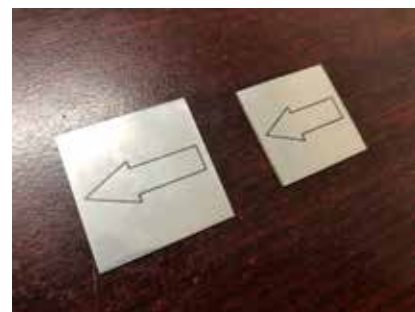

METAL HANDLE

STAINLESS STEEL RATING PLATE

STAINLESS STEEL WRENCH

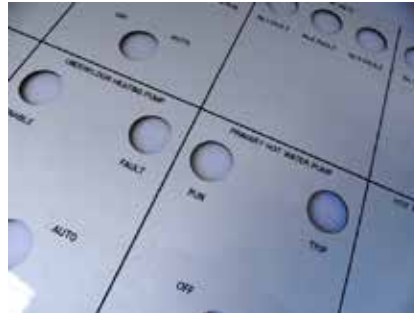

INDUSTRIAL TAGS & SIGNS

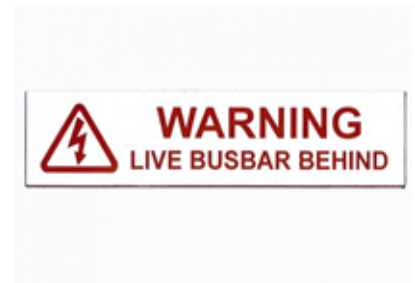

We also specialize in the production of industrial signage, tags and labels. In order to ensure a safe environment for employees, and also to relay important instructions and reminders as they operate machinery on a daily basis, proper signage and labels **MUST** be used on the premises. We can ensure that these needs are met with quality signage in a wide a range of materials, colours and sizes.

RED VALVE LABEL

TRAFFOLYTE SWITCH BOARD

TRAFFOLYTE WARNING SIGN

EMERGENCY MUSTER POINT SAFETY SIGN

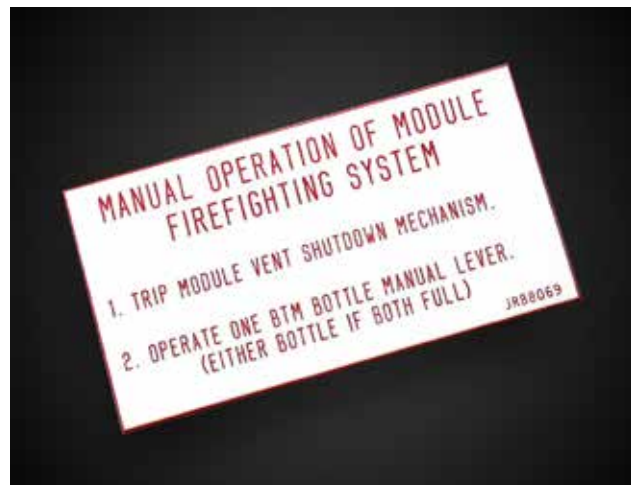

RED TRAFFOLYTE TAG

BLUE & WHITE TRAFFOLYTE TAGS

BLUETRAFFOLYTE TAG

WHITE TRAFFOLYTE INSTRUCTION SIGN

HEAD- STONES & MEMORIAL PLAQUES

Honour the memory of loved ones with these handcrafted headstone plaques made from various materials. Include names, dates, clipart or even a photo. We also do commemorative plaques for a variety of corporate, religious and educational purposes. All plaques are inscribed with permanent marks (laser marking or engraving) and will stand up for a lifetime whether or not it's exposed to weather. These items are custom made so you can specify the size and inscription.
